

# Division Edit

Create a new division or edit an existing division.

## Edit

1. Tap New to add a new division.
2. Modify Division names, then tap Save or Save & Close when done.
3. For consistency with previous season data, division names cannot be deleted.
4. If you rename divisions, all previous seasons will show the renamed names.
5. End this activity before making changes with Cancel, or after making changes with Close.
