League Bonus and Penalty Points

Enter League Bonus and Penalty Points.

Enter Bonus and Penalty Points

- You can set bonus and penalty points for all or selected teams here. Setting respective points is only possible if this is enabled in the season settings.
- Teams are listed in alphabetical order.
- Select all teams at the top most checkbox or select individual teams. Clicking the top most checkbox either selects or unselects all teams.
- Enter the requested number of points to assign in the text box after *points for checked teams* then tap Bonus to add bonus points or Penalty to record penalty points.
- Enter a negative number to reduce or remove points.
