Latest Results

1. Matches played on one single date are shown here.
2. This view also shows the progress of matches. Results can be viewed here if captains are saving the match results during the match and when not all match data has been entered yet. Use this view to follow match progress.
3. If a match is played early (for example the match of upcoming Wednesday is played on Tuesday), then the match can be viewed only if the captain has modified the match play date to the actual match play date (e.g. Tuesday).
4. Matches which are completed can also be viewed through Standings overview.
